We at Anvil Property Smith (Pty) Ltd are delighted to share our outstanding experience with TBIG Solutions. From the moment we engaged with them, their commitment to excellence in Installations & Maintenance became evident. The team demonstrated unparalleled expertise in Network, CCTV, Infrastructure, Access Control, and Security installations of all types, whether Analogue or IP. TBIG Solutions proved to be not just a service provider but a reliable security hardware supplier as well.

Their proficiency in handling diverse projects was impressive, covering a spectrum of security solutions. Whether it was the installation of advanced CCTV systems, setting up robust network infrastructure, or implementing state-of-the-art Access Control systems, TBIG Solutions showcased unparalleled skill and attention to detail.

What sets TBIG Solutions apart is not just their technical prowess but also their dedication to ongoing maintenance. Their proactive approach ensures that our systems consistently operate at peak performance, providing us with peace of mind in terms of security.

We would highly recommend TBIG Solutions to anyone seeking a comprehensive and reliable partner for Network, CCTV, Infrastructure, Access Control, and Security installations. Their commitment to quality, coupled with their role as a trusted security hardware supplier, makes them the go-to choice for businesses looking for cutting-edge solutions and exceptional service. We thank TBIG Solutions for their unwavering dedication to our security needs.

Best Regards,
