RE: TBIG Managed Solutions (Pty) LtdRegistration Number: 2016/254769/07

To whom it may concern:

Tax All Done has been working with TBIG Managed Solutions from inception of our company, and I am continually impressed by the services provided by TBIG. Not only have they provided us great service but has saved us money also. Each time we have an IT issue, TBIG has had the issue resolved less than an hour.

I would refer any of my friends, family, clients, and business associates to TBIG Managed Solutions (Pty) Ltd.

We trust you find the above acceptable should you have any queries please feel free to contact us.
